

## HOW TO ACCESS "HARDWARE DOCS" ON AN ABCS CD

Insert CD into your CD

1. Click the **"Start Button"** (Bottom left corner of Desktop)
2. Click the **"Run Button"**
3. From the **"Run Menu"** select the "Browse" option
4. From the **"Browse Menu"**, change the "files of type" to **"ALL FILES"**
5. Right Click on the **"Look In"** menu, then select your CD ROM.
6. Your **"Browse Menu"** should now have the file **"My Documents"** displayed on the screen.
7. Double Click on **"My Documents"**
8. Your **"Browse Menu"** should now have the file **"Hardware Documents"** (docs), displayed
9. Double Click on **"Hardware Docs"**.
9. You should now be able to pick and choose which category that you desire. Good Hunting!
