FCC EXTENDS FAX ADVERTISING DEADLINE

Many of you have received our notification regarding the FCC rules & regulations of the Telephone Consumer Protection Act (TCPA) for fax transmissions. The day after the announcement was made by the FCC, stating a deadline of Aug. 25, 2003, we were notified the actual deadline had been extended to January 1, 2005. If you have faxed your response to us; we will keep it in your company file. You may forward the authorization to us at any time. We will follow up again on this issue in the future.

LET CRON SIMPLIFY YOUR END OF DAY/MONTH

It is now possible to run your end of day in less than 10 minutes and your end of month report will be completed in most cases within 20 minutes. In addition, **YOU** determine when the report will run-automatically! It is required your operating system is Linux.
